SUMMARY

Board-certified family nurse practitioner with seven years across primary and urgent care. Carries a 1,400-patient panel, sees 20 visits a day, and cut the clinic's uncontrolled-diabetes rate by a third.

EXPERIENCE

Family Nurse Practitioner

Cedar Bend Family Medicine • 2022 – Present

- Manage a panel of 1,400 primary-care patients, seeing 18-22 visits daily across acute and chronic care
- Cut uncontrolled A1c rates from 31% to 19% in one year with a standing diabetes follow-up protocol
- Precept two NP students per semester and lead monthly case reviews for a five-provider team

Nurse Practitioner

Riverstone Urgent Care • 2019 – 2022

- Treated 25-30 urgent care patients per shift while holding door-to-discharge under 55 minutes
- Sutured, splinted, and read point-of-care labs independently across 4,000+ visits in three years

Registered Nurse, Med-Surg

Harpeth Valley Medical Center • 2015 – 2019

- Carried a five-patient med-surg assignment and charged weekend night shifts on a 32-bed unit
- Served as unit preceptor, onboarding 9 new graduate nurses over two years
