SUMMARY

OTR driver with 820,000 accident-free miles across 48 states in dry van and refrigerated freight. Runs 2,600 miles a week at 99% on-time, leads a 120-truck fleet in fuel economy at 7.4 mpg, and carries a clean CSA inspection history across five years OTR.

EXPERIENCE

OTR Truck Driver

Prairie Wind Transport · 2022 – Present

- Run 2,600 miles a week hauling 48-state dry van freight at 99% on-time delivery across the calendar year
- Passed 14 straight DOT roadside and scale inspections with zero violations recorded on the CSA profile
- Average 7.4 mpg, best in a 120-truck fleet, through disciplined trip planning and progressive shifting habits

OTR Driver (Refrigerated)

Coldline Carriers · 2019 – 2022

- Hauled temperature-controlled produce coast to coast for three years with zero rejected or reclaimed loads at receivers
- Planned HOS clocks and 34-hour resets to make 4 a.m. grocery warehouse appointments consistently across time zones

Regional Driver

Hawkeye Freight Lines · 2018 – 2019

- Ran five-state Midwest lanes home-weekly with zero preventable incidents in the first year out of school
- Backed into 100-plus tight urban docks a month without a scratch logged on the trailer or dock report
