SUMMARY

Certified pharmacy technician with eight years spanning retail and hospital practice. Compounds 120 sterile IVs a shift, leads a team of eight technicians, and has held zero contamination findings across three annual inspections.

EXPERIENCE

Senior Pharmacy Technician

Bexar Ridge Medical Center · 2022 – Present

- Prepare 120+ sterile IV admixtures per shift in a USP 797 cleanroom with zero contamination findings
- Train and schedule a team of 8 technicians across two inpatient shifts
- Cut medication cart-fill discrepancies 40% by rebuilding the barcode scanning workflow

Pharmacy Technician

Lantern Pharmacy · 2019 – 2022

- Filled 350+ prescriptions daily at a drive-through retail store with 99.8% scanning accuracy
- Resolved 30+ insurance rejections a day while keeping average wait times under 15 minutes

Pharmacy Technician

Rio Verde Drug · 2018 – 2019

- Processed refill queues of 200 scripts a day and managed will-call bins for 1,100 patients
- Counted, labeled, and verified C-II inventory with zero audit variances
