

June Radcliffe

Middle School Math & Science Teacher (M.Ed, Praxis II)

june.radcliffe@example.com · (555) 631-2284 · Phoenix, AZ

ABOUT

Middle School Teacher with nine years across two public schools — class averages moved double digits, a science-fair bench that fills the corridor every January, and parent-meeting attendance held above 85% term after term.

EXPERIENCE

Middle School Teacher — Math & Science — Sunrise Public School 04/2019 – Present

- Teach Math and Science to grades 6–8 — five sections, 182 students, results reviewed every term
- Raised the grade-8 math average from 64% to 79% in two years with weekly diagnostics and re-teach loops
- Coached 14 students to AMC/olympiad qualification over three seasons
- Run the annual science fair — 70 exhibits, 500+ visitors, judged by two local college faculty
- Kept parent-meeting attendance above 85% by sending two-line progress notes before every parent-teacher conference

Elementary Teacher — Math — Green Field Academy 06/2016 – 03/2019

- Taught classes 3–5 math across four sections; introduced mental-math drills adopted school-wide
- Built remedial groups of 8–10 that cleared 90% of flagged students within one term

ELIGIBILITY

Praxis II (Math & Science) — qualified, 2016

State certification (Grades 4–8) — qualified, 2015

SKILLS

Lesson planning (Common Core + activity-based)
