

Cameron Selby

Math & Science Tutor — Grades 8–10

✉ cameron.selby@example.com • 📞 (555) 902-6641 • 📍 Lubbock, TX

ABOUT

Full-time tutor with 60 active students across four batches plus one-to-one home tuition — board-year students average an 18-mark jump in math, 70% of admissions arrive by parent referral, and every batch runs on weekly tests with written progress notes.

TUTORING EXPERIENCE

Independent Tutor — Math & Science — Own practice (batches + home tuition) 06/2020 – Present

- Teach 60 students a week across four batches of 12 and six one-to-one home students
- Lifted class-10 board math scores by an average of 18 marks across the last three batches
- Produced 11 students above 95 in boards since 2022; every batch student passed, three years running
- Fill 70% of new seats from parent referrals; run a WhatsApp group per batch with weekly progress notes

Faculty — Foundation Math — Disha Coaching Classes 07/2018 – 05/2020

- Taught foundation batches of 40 for classes 8–9; retained 85% of students year over year
- Designed the chapter-wise test bank of 900 questions still used across three batches
- Cut doubt-resolution turnaround to under 12 hours with an evening query board for every batch

BATCHES & TIMINGS

Grade 10 board batch — Mon/Wed/Fri 6–8 pm • 12 seats • full since 2023

Class 8–9 foundation — Tue/Thu/Sat 5–7 pm • weekly test every Saturday

Home tuition — classes 8–10, math and science, morning slots only

SKILLS

- Common Core math & science (8–10)
- Concept-first teaching
- Parent communication
- Board-exam paper practice
- Weekly tests & progress reports
- Small-batch management

EDUCATION

B.S. (Math) — University of Lubbock 2015 – 2018
